1. Permission to reproduce will be granted only upon receipt of a written request describing the intended use.
2. The Society of California Pioneers reserves the right to decline orders deemed not in the best interests of the collection.
3. Permission is granted for one use only, in one publication, one edition, and in one language. Subsequent and additional language editions will be considered upon application.
4. Full documentation consisting of artist's name and title of work (if applicable), and credit line "Courtesy of The Society of California Pioneers" must appear in the publication near the reproduction or in a list of illustrations.
5. The reproduction must be in full-tone black and white or full color and may not be reproduced on color stock. Each object should be reproduced in its entirety; if a detail of a work is shown, prior permission must be obtained from the Society of California Pioneers, and the caption must include the word "detail". The reproduction shall not be bled off the page, tinted, reversed, or cropped in any way. Nothing shall be superimposed on the reproduction.
6. Special permission is required if the reproduction is to appear as a frontispiece, chapter divider, book cover/dust jacket, calendar, or is not referred to directly in the text. In such cases, an additional fee may be required.
7. The Society of California Pioneers assumes no responsibility for any royalties or fees claimed by the artist or his/her estate. In addition to the permission of this agency, additional copyright permission may be required. In cases of living artists and/or materials subject to the 1976 Copyright Law or the 1991 Visual Artists Rights Act, written permission must be secured by the applicant from the artist, the artist's agent, or the current copyright holder.
8. When possible, the publisher shall provide the Society of California Pioneers with one digital copy of the publication in which the reproduction appears.
9. Reproductions shall not be lent to or used by another party other than the one stated on the reverse of this form. The Society of California Pioneers retains the copyright to all digital images furnished pursuant to this agreement.
10. All rights to make reproductions and to publish and sell the same are not exclusive, and the Society of California Pioneers may grant similar rights to others or make reproductions itself.
